

Our Annual Assurance Statement

The Board of Hebridean Housing Partnership is satisfied that, to the best of our knowledge, Hebridean Housing Partnership is compliant with the requirements of Chapter Three of the Regulatory Framework and the Regulatory Standards of Governance and Financial Management. We have gained this assurance from a review of a comprehensive bank of evidence and from our ongoing oversight and scrutiny of HHP's affairs throughout the year.

The evidence bank combines reports, policies, advice and information which the Board monitors and oversees on an ongoing basis throughout the year to provide continuous assurance that HHP is compliant. Additionally, the evidence bank incorporates relevant documents and information that contribute to our assurance and which form the structure of HHP's business and governance activities.

We are satisfied that we meet all our duties in relation to tenant and resident safety. In particular, we have gained the necessary evidence-based assurance of our compliance in respect of duties relating to gas, electrical, fire, water and lift safety and our obligations relating to asbestos, damp and mould.

We have completed our assessment into the potential presence of RAAC in our stock and confirm that none has been identified.

We approved our Annual Assurance Statement at the meeting of our Board on 2 September 2025.

We confirm that this Assurance Statement is being published on our website on the same date that it is submitted to the SHR.

I sign this statement on behalf of the Board.
